

### **REMARKS**

[0001] Claims 1-5, 7-11, and, 21-29 are allowed. Applicants submit these amendments which direct the application to the elimination of the method claims without any change in the scope of the allowed claims. Claims 6, 12, 13, and 15-20, were previously cancelled. Applicant has canceled claims 14 and 15.

[0002] Applicants request that these amendments be entered in accordance with MPEP §714.16. Applicants submit the enclosed amendments to cancel non-method claims and to the title and abstract to conform to the type of claims remaining. Applicants note that entering of these amendments is within the discretion of the Examiner because cancellation of claims from the application does not require approval from the Examiner's supervisor. MPEP §714.16(d). In this Amendment, Applicant has cancelled Claims 14 and 15 from further consideration in this application. Applicant is not conceding that the subject matter encompassed by Claims 14 and 15 is not patentable. Claims 14 and 15 were cancelled in this Amendment solely to facilitate expeditious prosecution of the remaining claims. Applicant respectfully reserves the right to pursue additional claims, including the subject matter encompassed by Claims 14 and 15, as presented prior to this Amendment in one or more continuing applications.

Respectfully submitted,

Date: March 25, 2008
